We also received prices for the following, but not enough to report: dried beans, shell beans, beet greens, leeks, looseleaf lettuce, radishes, spinach, spaghetti squash, turnips.

We did not report a price if only one was received. No average is reported when there are only two prices reported for the same crop and the same units. Some units, such "bunch" are variable, making the price range larger than it would be for a more standardized unit. Organic prices are for goods defined as organic by the producer and are not limited to certified organic foods.

This week we received 10 reports. If you have questions, contact Reenie at 802/828-3832 or reenie.degeus@state.vt.us  
This summary is available on our website at <http://www.vermontagriculture.com>

**PRICE SUMMARIES WILL CONTINUE FOR TWO MORE WEEKS  
IF WE RECEIVE SUFFICIENT REPORTS. PLEASE CONTINUE TO SEND IN REPORTS.  
THANK YOU.**
