We also received prices for the following, but not enough to report: dried beans, shell beans, beet greens, cauliflower, pickling cukes, looseleaf lettuce and cilantro.

We did not report a price if only one was received. No average is reported when there are only two prices reported for the same crop and the same units. Some units, such "bunch" are variable, making the price range larger than it would be for a more standardized unit. Organic prices are for goods defined as organic by the producer and are not limited to certified organic products.

This week we received 6 reports. If you have questions, contact Reenie at 802/828-3832 or reenie.degeus@state.vt.us

'NEXT WEEK WILL BE OUR LAST REPORT. THANK YOU FOR SENDING IN YOUR PRICES.
