**VSA. TITLE 6, CHAPTER 151, SECTION 2724(B)** – Any commercial enterprise which installs or repairs milking equipment on farms shall annually register with the Secretary. The company shall apply for registration on a form made available by the Agency. Before registering a company, the Secretary shall determine that the company is qualified to perform the installation or repair service. The registration form shall be accompanied by a fee of \$25.00. The Secretary may suspend or revoke registration for cause after giving the installer the opportunity to be heard. Registration shall terminate on December 31 of each year.

\*\*\*\*\*

Application is hereby made to register with the State of Vermont as a Milking Equipment Installer.
