Vermont Agricultural Credit Corporation

Vermont Agricultural Credit Corporation has announced an emergency loan program in response to the financial crisis being experienced by farmers in the wake of Hurricane and Tropical Storm Irene. Proceeds are for direct flood related damages and losses.

Loan Rates and Terms

- Interest rate in this program will be 1% for the first two years with no payments required during the first year. At the beginning of the third year, the rate will adjust to the VACC Prime variable index. Loans will be amortized based on how the loan funds will be used.
- Maximum loan size will be \$100,000.
- Adequate collateral must be available to secure these loans. FSA guarantees may be required with an applicable fee.

Application Process

- To download an application go to www.veda.org and click on appropriate link on home page.
- Vermont Agricultural Credit Corporation, 58 E State St., Suite 5, Montpelier, VT 05602 - 802-828-5627 or Toll Free – 866-828-3276.

Farm Service Agency

USDA's Farm Service Agency (FSA) provides **Emergency Loans** to help Vermont farmers recover from production and physical losses due to the flooding associated with Irene and wet conditions this spring.

Loan Uses - Emergency loan funds may be used to: restore or replace essential property; pay all or part of production costs associated with the disaster year; pay essential family living expenses; reorganize the farming operation; and refinance certain debts.

Loan Limit - Producers can borrow up to 100 percent of actual production or physical losses, to a maximum amount of \$500,000.

Interest Rate - The current annual interest rate for emergency loans is 3.75 percent.

Loan Terms - Loans for crop, livestock, and non-real estate losses are normally repaid within one to seven years, depending on the loan purpose, repayment ability and collateral available as loan security. Loans for physical losses to real estate are normally repaid within 30 years.

The FSA also has several **Disaster Programs** that may be of assistance to Vermont farmers including the Emergency Conservation Program (ECP); the Emergency Forest Restoration Program (EFRP); the Tree Assistance Program (TAP); the Livestock Indemnity Program (LIP); Emergency Assistance for Livestock, Honeybees and Farm-Raised Fish Program (ELAP); the Noninsured Disaster Assistance Program (NAP); and the Supplemental Revenue Assistance Payments (SURE) Program.

ECP provides emergency funding and technical assistance to farmers to rehabilitate farmland (including fencing) damaged by natural disasters. EFRP provides funding to restore forestland damaged by natural disaster. TAP provides funding to replace fruit trees or bushes and Christmas trees damaged by natural disaster. LIP provides financial assistance for livestock deaths that result from natural disaster. ELAP provides financial assistance for livestock, honey bees and farm raised fish losses due to natural disaster. NAP provides financial assistance for crop losses due to natural disaster. SURE provides financial assistance for crop losses from quality or quantity deficiencies due to natural disasters.
